

## **AIRNET**

### **LIFE'S BETTER WITH FRIENDS - REFERRAL CREDITS**

**OCTOBER 2010**

At Airnet we love our friends. So when you refer us your friends we will look after them and reward you. Every friend you refer and we connect will earn you a tidy \$50 including GST credit to your Airnet account.

#### **How to refer your friends:**

There are two ways to refer your friends to us; you can either send us their details online at [www.airnet.co.nz/friends](http://www.airnet.co.nz/friends) or get them to call us and nominate you as their referrer.

If you send us their details we will contact them within 48 hours and introduce them to our awesome broadband + calling plans.

If they contact us make sure they have your Airnet AccountID handy.

Your \$50 including GST credit will show up on your next invoice.

#### **Terms and conditions:**

1. Referral credits are only available to current Airnet customers.
2. Referral credits are only available if your friend has connected to Airnet's broadband + calling service (including a phone line).
3. If a new customer is referred more than once, the first referrer receives the referral credit.
4. The new customer must sign up within a month.
5. The new customer must enter the referrer's Airnet AccountID on their sign-up form.
6. A referrer cannot be nominated after the new customer has been connected.
